

Postcard #

This card is secretly a *WORK OF ART*

(Please note the date and place you found it on the card.)

Now that you've found it, we offer three options.

- 1) Hide it somewhere for someone else to find. (Here is fine.)
- 2) Write a note, do a drawing, deface it, alter it. Change it somehow.
- 3) Give the card to someone else, if you think they might like it.

Whatever happens next is in your hands.
